

Beauty therapy advanced apprenticeship

The requirements are that the advanced apprentice must be working as a level 2 Beauty Therapist, ideally carrying out treatments including facials, waxing, manicures, pedicures and eye treatments.

This course will develop them in becoming a level 3 Therapist, carrying out treatments including Body Massage, Facial & Body Electricals, Indian Head Massage, Self Tanning and Epilation.

In the Beauty Therapy sector evidence of Employee Rights and Responsibilities (ERR) is mandatory

Please note: each unit has a strong emphasis on maintaining effective and safe methods of working when completing all beauty services and provide a thorough consultation and after care advice with every beauty therapy service.
