

## External Hairdressing Educator – Leicester

### Description

Established in 1971, Heart of England Training is a leading apprenticeship provider, rated as 'excellent' by employers and apprentices and working with over 1,000 apprentices in England.

We have an exciting opportunity for experienced, qualified and passionate External Educator to join the team working around the Northampton/Peterborough area.

As an external educator you will support learners through to the successful conclusion of their chosen training programme and impart occupational skills to the learners to the level expected.

As an external educator you will deliver intermediate, advanced and higher-level qualifications and apprenticeship standards. You will need to educate learners to gain the appropriate knowledge, skills and behaviours, meeting national occupational standards and/or achieve competence in their qualifications, as required by the awarding body. You must ensure learners complete their training programme on target as agreed and detailed on the individualised training plan. All employees will be supported through a staff training and development programme relevant to their skills and experience. You will need to achieve all professional development targets set within the agreed time scales.

The successful individual will be flexible, empathetic and reliable: a team-player with excellent communication skills.

This position requires you to travel to various salons in the Northampton/Peterborough area to meet with your caseload of apprentices – expenses paid at 45p per mile.

**Salary: From £26,000 per annum (DOE)**

### Responsibilities

Responsibilities include:

- To agree an individualised training programme with each learner, and monitor this to ensure that the learner is working to the agreed targets
- To ensure that learners understand their rights and responsibilities with regard to their qualification
- To correctly interpret and meet: Apprenticeship Standards, NVQ requirements, Technical Certificate qualifications and any other learning aims which build the learners individualised curriculum.
- To follow the curriculum plan and deliver engaging sessions which develop the learner's knowledge, skills and behaviours.
- Responsible for independently managing outlook calendars and workload to ensure that all deadlines and audit requirements are met.
- To identify safe, valid, reliable and sufficient evidence to enable learners to complete their learning aims
- To ensure the delivery of the curriculum is in line with the Ofsted framework and meeting the organisations quality assurance standards.
- To identify and develop strategies to address gaps in learners progress and achievement
- To ensure the delivery of the curriculum is in line with the Ofsted framework
