

Governor (Quality of Education Lead Governor)

Description

Heart of England Training is seeking an experienced education professional to join our Board of Governors as our dedicated **Quality of Education Governor**.

This is an excellent opportunity for an individual with a background in education, training, quality assurance, inspection, leadership, or governance to help shape the strategic direction of a successful and growing independent training provider.

The successful candidate will provide constructive challenge and support to the Senior Leadership Team, helping to ensure that learners receive a high-quality educational experience and that standards continue to improve.

Heart of England Training is proud to be a **Grade 2 Good provider**, achieving learner achievement rates above national averages and consistently receiving excellent feedback from both apprentices and employers.

This is not an employed position but a paid governance appointment.

Responsibilities

Responsibilities include:

- Attending four Board of Governors meetings each year at our Rugby Head Office
- Acting as the Board's designated lead for Quality of Education
- Attending some quarterly Quality and Curriculum Committee meetings annually
- Reviewing some educational delivery, learner experience and quality assurance activities on a quarterly basis
- Undertaking occasional visits to training centres and observing educational activity where appropriate
- Reviewing learner achievement, attendance, progress and destination data
- Supporting the Board in monitoring progress against strategic quality improvement priorities
- Providing constructive challenge and independent scrutiny of educational performance
- Feeding findings and recommendations into Board meetings to support effective governance
- Maintaining awareness of Ofsted requirements and developments within further education and apprenticeships

Person Specification

Essential

- Experience within education, training, further education, schools, apprenticeships, quality assurance or curriculum leadership
- Understanding of what constitutes high-quality teaching, learning and assessment
- Commitment to improving outcomes for learners and apprentices
- Ability to analyse performance data and identify key themes, strengths and areas for improvement
