Responsibilities include:

- To agree an individualised training programme with each learner, and monitor this to ensure that the learner is working to the agreed targets
- To ensure that learners understand their rights and responsibilities with regard to their qualification
- To follow the curriculum plan and deliver engaging sessions which develop the learner's knowledge, skills and behaviours.
- To identify and develop strategies to address gaps in learners progress and achievement
- To ensure OneFile is utilised within its full capacity and embedded within your day to day working culture
- To prepare and complete learner progress reviews in line with company expectations
- To provide constructive feedback on achievement and performance to learners
- To attend regular standardisation meetings and training with relevant industry team members
