

Educator – Schools/Business

Description

We are looking to appoint a confident individual delivering all levels (lower and higher) of apprenticeship training within various school and business environments, including:

- Associate Project Management
- Management and Team Leader
- Schools Business Professional
- Teaching Assistant
- Early Years Practitioner
- Customer Service and Business Administration

A large proportion of these education sessions are delivered remotely, although there will be some face-to-face visits to meet with apprentices in their workplace.

Salary: from £26,000 per annum, based on experience and qualifications.

Responsibilities

Responsibilities include:

- To agree an individualised training programme with each learner, and monitor this to ensure that the learner is working to the agreed targets
- To ensure that learners understand their rights and responsibilities with regard to their qualification
- To follow the curriculum plan and deliver engaging sessions which develop the learner's knowledge, skills and behaviours.
- To identify and develop strategies to address gaps in learners progress and achievement
- To ensure OneFile is utilised within its full capacity and embedded within your day to day working culture
- To prepare and complete learner progress reviews in line with company expectations
- To provide constructive feedback on achievement and performance to learners
- To attend regular standardisation meetings and training with relevant industry team members

Person Specification

Candidates without a particular qualification which we have listed as 'essential' need not be discouraged from applying if they are willing to undertake appropriate training in-post.

Experience –

Essential:

- Industry related, minimum 3 years
