

## Job Description – Educator

**Contract type:** Full time, Permanent

**Location:** Head Office

**Department:** Training and Development

---

As an Educator you will support learners through to the successful conclusion of their chosen training programme and impart occupational skills to the learners to the level expected in their training programme.

You will need to educate learners to gain the appropriate knowledge, skills and behaviours, meeting national occupational standards and/or achieve competence in their qualifications, as required by the awarding body. You must ensure learners complete their training programme on target as agreed with the Recruitment adviser, learner and employer (where applicable), as detailed on the individualised training plan. You will need to achieve all professional development targets set within the agreed time scales.

## Responsibilities

---

- To agree an individualised training programme with each learner, and monitor this to ensure that the learner is working to the agreed targets
- To ensure that learners understand their rights and responsibilities with regard to their qualification
- To correctly interpret and meet: Apprenticeship Standards, NVQ requirements, Technical Certificate qualifications and any other learning aims which build the learners individualised curriculum.
- To follow the curriculum plan and deliver engaging sessions which develop the learner's knowledge, skills and behaviours.
- To identify safe, valid, reliable and sufficient evidence to enable learners to complete their learning aims
- To ensure the delivery of the curriculum is in line with the Ofsted framework and meeting the organisations quality assurance standards.
- To identify and develop strategies to address gaps in learners progress and achievement
- To ensure OneFile is utilised within its full capacity and embedded within your day to day working culture
- To ensure that all learners have equal and fair access to learning activities and the assessment process
- To develop learners Literacy, Numeracy and ICT in line with individuals starting points
- To prepare and complete learner progress reviews in line with company expectations
- To provide constructive feedback on achievement and performance to learners
- To attend regular standardisation meetings and training with relevant industry team members

## Person Specification

Candidates without a particular qualification which we have listed as ‘essential’ need not be discouraged from applying if they are willing to undertake appropriate training in-post.
